FRUSTRATED
with your computer?

Do you want to get better at:

Email?
Web Searches?
Mapquest?
Photos?

Let me help you get to know your computer! I am a twelve year veteran of the high-tech industry with a degree in computer application systems. I am an experienced tutor with tons of patience and I love people.

If you don't have a computer yet, I'll bring mine! I promise I can help you fall in love with technology and you will have a lot of fun while learning.

First hour of instruction is FREE!
